Main Street Moonlight Drive – Kerrville's Unique Night Golf Experience

Kerrville, Texas (August 17, 2012) – Are you a golfer looking for a challenge all while having a great time? Then come join the Kerrville Main Street Program as we host the 2nd Annual Main Street Moonlight Drive on October 27th from 4:00 PM to 10:00 PM at the Scott Schreiner Golf Course in Kerrville, Texas.

This exciting event promises to be lots of fun and was the first night golf tournament in Kerrville. The four man team, 18 hole scramble starts with a shotgun at 4:00 PM for the first nine holes of play at dusk. The second nine holes will be played after dark with glow in the dark equipment. Add in the mix a Golf Cart Decorating Contest, Dinner, Awards and Swag Bag and you'll have the best golfing experience you've had in years. Prizes will be given for the top three finishing teams and specialty prizes will be given for the contests including longest drive, putting and

closest to the pin. Entry fee is \$125 and includes Green Fees, Golf Cart, Glow Materials, Dinner, Awards and Swag Bag.

Proceeds from the Main Street Moonlight Drive will benefit the Public Art Project of the Kerrville Main Street Program. The Public Art Project has been in the works for a few years with a goal of having numerous pieces around the city for viewing. Our inaugural piece unveiled May 2012, entitled “Mother’s Love”, was designed by James Avery and is located at the corner of Earl Garrett and Main Street at the Kerr Arts and Cultural Center.

The Kerrville Main Street Program has been in existence since 1995 and is an economic development and physical improvement process designed to benefit the entire Kerrville community. The overall goal is to help provide opportunities to enhance the central business district for all citizens and visitors. Key functions are aiding present businesses to improving the physical attractiveness of the central business district and recruiting new businesses.
